

Cobalt Chloride Thermometer - Relevance

This experiment is relevant to:

Standard Grade

Topic 1 (Chemical Reactions)

Access 3

Unit 1 (Chemistry in Action)

- b. Chemical Reactions

Intermediate 1

Unit 1 (Chemistry in Action)

- b. Chemical Reactions

Higher

Unit 3 (Chemical Reactions)

- c. Equilibrium

Advanced Higher

Unit 1 (Electronic Structure and the Periodic Table)

- b. Chemical Bonding
- c. Some Chemistry of the Periodic Table

Unit 2: Principles of Chemical Reactions

- b. Chemical Equilibrium
